

APSA Travel Awards for Postgraduates – 2009 Macquarie University

APSA offers a number of Travel Awards, usually about seven (7) annually, up to a maximum value of AUD\$750 each, to enable postgraduate members to attend the APSA Postgraduate Workshop held in conjunction with the APSA conference.

Award of the Fellowships will be determined on the basis of the following criteria:

1. Applicants must be a member of APSA (or in the process of joining at the time of applying for the Award).
2. The amount granted will normally be to assist with travel expenses, not accommodation and meals.
3. Applicants must be presenting a refereed paper at the conference.
4. Applicants must have sought funding support from their home Department or School.
5. Priority will be determined on a needs basis.
6. Priority will be given to postgraduates who have not previously been awarded travel or other financial support from APSA.
7. Awards will not normally exceed \$400 unless in the opinion of the APSA Travel Awards Committee, an appropriate needs-based case has been made.

Applications need to be made on a covering letter attached to your conference paper abstract and final conference paper.
